In this beautiful picture book by renowned artist Lisa McCue, Little Bunny discovers the importance and pleasure of dancing to your own kind of music. More than anything, Quiet Bunny loves the sounds of the forest: the birds chirping, the wind whispering shhhhh through the leaves, and, especially, the night song all the rabbits listen to. But, one day, he wonders: how can I join in? Bunny wanders the woods asking animal after animal but he just can't ch-cheet like the cricket, ssssss like the hissing snake, or o-uuuu like the howling wolves. But nothing feels just right until Quiet Bunny finds the wonderful beat that's his and his alone. B B B B
